Membership 2010 - 2011 / 5771 and Yom Tov Seating

August 1, 2010

Dear Friends:

Before we know it, the Yomim Nora'im will be upon us, so the time has come to place your seating order. The general process for seating will be the same as last year, and hopefully quite simple for everyone. Please review the following procedures for the seating, and then complete and return the form that is included regarding both seats and membership.

1. Preference to retain or exchange seats is given to members. **A member for the year 5771 is someone who has paid their shul obligations from past years and who has completed the attached membership form showing how their dues will be paid for the current year.** If full payment of your obligations is not feasible for you at this time, please attach a note of explanation, and you will be contacted by a shul officer.
2. The member preference for seating ends on August 20. If you are a member for 5771, your seat assignment will remain the same as last year unless you make a specific request to change it. If you are not a member for the year 5771, your seat assignment from last year will not be retained.
3. Members wanting new seating assignments should return an order form and then either attend the "seat exchange," which will be held (I'YH) Sunday, August 29 from 9-10 AM in the shul, or attach a note to the enclosed form describing where you prefer to sit. Last year's seating chart will be posted in case you've forgotten where you sat last year.
4. This option is also for any members with NO seats last year, or members wanting ADDITIONAL seats or DIFFERENT seats.
5. Members, associate members, non-members, and any orders submitted after August 20th will be addressed AFTER the "seat exchange" on August 29th. These orders will be filled in order of receipt from the seats remaining. Reserved seating for non-members will be on a first come, first served basis after all of the needs of members have been fulfilled.

So that we start off the New Year with a clean slate, please pay any outstanding obligation at this time. That amount, if applicable, is shown on the enclosed invoice. Because of the limited number of seats, the shul also requests full payment for seats along with the submission of the Membership and Seating order form below.

If you have any questions, please call me at 410-358-5478. Many thanks for your participation in this process, and best wishes for a happy and healthy 5771.

Sincerely,

Ari Blum
Yom Tov Seating Coordinator
